

# SCFF532D

34" x 23.63" x 23.63" (H x W x D)

Built-in undercounter two-drawer all-freezer with frost-free operation, stainless steel construction, and panel-ready drawer fronts

### Highlights:

- True frost-free operation saves you maintenance by preventing icy buildup
- Create the perfect look with panel-ready drawer fronts that can accept custom overlay panels
- Flexible design allows built-in or freestanding use in 24" spaces

### Product Features:

|                              |   |
|------------------------------|---|
| 2-Drawer Freezer             | 24" wide frost-free freezer for built-in or freestanding use  |
| Stainless steel construction | Cabinet, drawers, and kickplate are fully constructed from stainless steel to ensure lasting durability and easy cleanup            |
| Two sliding drawers          | Smoothly gliding stainless steel drawers for easy use   |
| Built-in capable             | Make the best use of space by installing your appliance under the counter and flush with other cabinets                             |
| Panel-ready drawer fronts    | Drawers accept overlay panels (size: 23.43" x 15" at 3/4" thick) to let you seamlessly blend the refrigerator into cabinetry design |
| Frost-free operation         | Minimum user maintenance with a fully no-frost operation system   |
| Internal fan                 | Fan-forced cooling ensures even temperature distribution from top to bottom   |
| Digital thermostat           | Electronic controls ensure easy temperature management, with an external readout in Celsius or Fahrenheit                           |
| LED lighting                 | Elegant and efficient lighting offers a gentle illumination for the drawer interiors  |

|                               |                |
